(c) Each petition shall refer to only one precinct.

(e) Any candidate who may be affected by the proceedings may intervene and present his evidence.

(f) The decision shall be based on the evidence presented. If the question is whether or not the voter is real or fictitious, his non-appearance on the day set for hearing shall be prima facie evidence that the registered voter is fictitious. In no case shall a decision be rendered upon a stipulation of facts.

(g) These applications shall be heard and decided without delay. The decision shall be rendered within six hours after the hearing and within ten days from the date of its filing in court. Reconstituted forms shall be clearly marked with the word "reconstituted".

The reconstitution of any lost or destroyed application for registration shall not affect the criminal liability of any person or persons who may be responsible for such loss or destruction.

Sec. 183. Requisition of official ballots and election returns. - Official ballots and election returns shall be printed upon orders of the Commission. Requisition of official ballots shall be for each city and municipality, at the rate of one and one-fifth ballots for every registered voter in the next preceding election; and for election returns, at one set thereof for every polling place.

Sec. 184. Printing of official ballots and elections returns. - The official ballots and election returns shall be printed by the Government Printing Office and/or the Central Bank printing facilities exclusively, under the exclusive supervision and control of the Commission which shall determine and provide the necessary security measures in the printing, storage and distribution thereof.

Each ballot shall be joined by a perforated line to a stub numbered consecutively, beginning with number "1" in each city and municipality. Each ballot shall also have at the bottom a detachable coupon bearing the same number of the stub. Each pad of ballots shall bear on its cover the name of the city or municipality in which the ballots are to be used and the inclusive serial numbers of the ballots contained therein.

The official ballots shall be bound in separate pads of fifty or one hundred ballots each as may be required.

The election returns shall be prepared in sets of six copies per set and shall be numbered consecutively, beginning with number "1" in each city and municipality. Each set of the election returns shall be printed in such a manner that will ensure that the entries on the original of the returns are clearly reproduced on the other copies thereof and shall bear the name of the city or municipality in which the returns are to be used. For this purposes, the Commission shall acquire, if necessary, a special kind of carbon paper or chemically treated paper.

Sec. 185. Sample official ballots. - The Commission shall provide the board of election inspectors with sample official ballots at the rate of thirty ballots per polling place. The sample official ballots shall be printed on colored paper, in all respects like the official ballots but bearing instead the words "Sample Official Ballot", to be shown to the public and used in demonstrating how to fill out and fold the official ballots properly. No name of any actual candidate shall be written on the spaces for voting on the sample official ballots provided by the Commission, nor shall they be used for voting.

Sec. 186. Distribution of official ballots and election returns. - The official ballots and the election returns shall be distributed by the Commission to each city and municipality at

the rate of one and one-fifth ballots for every voter registered in each polling place; and for election returns, at the rate of one set each for every polling place.

The provincial, city or municipal treasurer shall respectively keep a record of the quantity and serial numbers of official ballots and election returns furnished the various provinces, cities, municipalities and polling places, as the case may be, legible copies of which record shall be furnished the duly authorized provincial, city or municipal representatives of the ruling party and the dominant opposition party, and the Commission immediately after the distribution is made of such official ballots and election returns.

The Commission shall prescribe the use of official delivery receipts to be signed by the election registrar and the chairman of the board of canvassers upon receipt of the election returns.

No official ballots or election returns shall be delivered to the board of election inspectors earlier than the first hour of election day: Provided, however, That the Commission, after written notice to the registered political parties and the candidates, may, for justifiable reasons, authorize the delivery of said official ballots and election returns to the board of election inspectors of any particular polling place at an earlier date.

Sec. 187. Committee on printing, storage, and distribution of official ballots and election returns. - The Commission shall appoint a committee of five members, two of whom shall be from among its personnel, the third to be designated by the Commission on Audit, and the last two to be designated by the ruling party and the dominant opposition party to act as its representatives in supervising the printing, storage and distribution of official ballots and election returns.

Upon the request of any candidate, political party or of civic, religious, professional, business, service, youth or any similar organizations collectively designated by the Commission, the latter shall allow any person designated by any of the former as watcher to observe the proceedings of the committee on the printing of official ballots and election returns, file objections, if any, witness the printing and distribution of the ballots and the returns and guard the premises of the printer.

Sec. 188. Duties of the committee on printing of official ballots and election returns. - Under such orders or instructions as the Commission may issue, and in addition to general supervision and control over the printing and shipment of official ballots and election returns, the committee on printing of official ballots and election returns shall (a) take charge of the room or rooms where the paper and paraphernalia used in the printing of official ballots and election returns are stored and where printed official ballots and election returns are packed and prepared for shipment, (b) supervise all aspects relating to the printing, storage and shipment of official ballots and election returns and report to the Commission any irregularity which they believe may have been committed, and (c) perform such other related functions as the Commission may direct.

Sec. 189. Representatives of the registered political parties in the verification and distribution of official ballots and election returns. - The ruling party and the dominant opposition party or their respective duly authorized representatives in the different provinces, cities and municipalities, shall submit the names of their respective watchers

who, together with the representatives of the Commission and the provincial, city and municipal treasurer shall verify the contents of the boxes containing the shipment of official ballots, election returns and sample official ballots received by the said treasurers. The provincial treasurers shall keep a record of their receipt and distribution to each municipal treasurer, while the city and municipal treasurer shall each keep a record of their distribution to the board of election inspectors.

ARTICLE XVII. CASTING OF VOTES

Sec. 190. Voting hours. - The casting of votes shall start at seven o'clock in the morning and shall end at three o'clock in the afternoon, except when there are voters present within thirty meters in front of the polling place who have not yet cast their votes, in which case the voting shall continue but only to allow said voters to cast their votes without interruption. The poll clerk shall, without delay, prepare a complete list containing the names of said voters consecutively numbered, and the voters so listed shall be called to vote by announcing each name repeatedly three times in the order in which they are listed. Any voter in the list who is not present when his name is called out shall not be permitted to vote.

Sec. 191. Preliminaries to the voting. - (a) The board of election inspectors shall meet at the polling place at six-thirty o'clock in the morning of election day and shall have the book of voters containing all the approved applications of registration of voters pertaining to the polling place, the certified list of voters, the certified list of candidates, the ballot box, the official ballots, sufficient indelible pencils or ball pens for the use of the voters, the forms to be used, and all other materials which may be necessary.

(b) Immediately thereafter, the chairman of the board of election inspectors shall open the ballot box, empty both of its compartments, exhibit them to all those present and being empty, lock its interior covers with three padlocks.

(c) The chairman shall forthwith show to the public and the watchers present the package of official ballots received from the city, or municipal treasurer duly wrapped and sealed and the number of pads, the serial numbers and the type forms of the ballots in each pad appearing on the cover, and the book of voters duly sealed. The board of election inspectors shall then break the seals of the package of official ballots and the book of voters. The board of election inspectors shall enter in the minutes the fact that the package of ballots, and the book of voters were shown to the public with their wrapping and corresponding seals intact and/or if they find that the wrapping and seals are broken, such fact must be stated in the minutes as well as the number of pads and the serial numbers of ballots that they find in the package.

Ballots with separately printed serial numbers shall be deemed spurious and shall not be utilized by the board of election inspectors unless the Commission representative shall order their use in writing, stating the reasons therefor.

(d) The chairman and the two party members of the board of election inspectors shall retain in their possession their respective keys to the padlocks during the voting.

(e) The box shall remain locked until the voting is finished and the counting begins. However, if it should become necessary to make room for more ballots, the board of election inspectors may open the box in the presence of the whole board of election inspectors and the watchers, and the chairman shall press down with his hands the ballots contained therein without removing any of them, after which the board of election inspectors shall close the box and lock it with three padlocks as hereinbefore provided.

Sec. 192. Persons allowed in and around the polling place. - During the voting, no person shall be allowed inside the polling place, except the members of the board of election inspectors, the watchers, the representatives of the Commission, the voters casting their votes, the voters waiting for their turn to get inside the booths whose number shall not exceed twice the number of booths and the voters waiting for their turn to cast their votes whose number shall not exceed twenty at any one time. The watchers shall stay only in the space reserved for them, it being illegal for them to enter places reserved for the voters or for the board of election inspectors or to mingle and talk with the voters within the polling place.

It shall be unlawful for any officer or member of the Armed Forces of the Philippines including the Philippine Constabulary or the Integrated National Police or peace officer or any armed person belonging to any extra-legal police agency, special forces, reaction forces, strike forces, home defense units, barangay tanod, or other similar forces or paramilitary forces, including special forces, security guards, special policeman, and all other kinds of armed or unarmed extra-legal police officers, to enter any polling place, unless it is his polling place where he will vote but in such case he should immediately leave the polling place, no policeman or peace officer shall be allowed to enter or stay inside the polling place except when there is an actual disturbance of the peace and order therein. However, the board of election inspectors upon majority vote, if it deems necessary, may make a call in writing, duly entered in the minutes, for the detail of a policeman or any peace officer for their protection or for the protection of the election documents and paraphernalia, in which case, the said policeman or peace officer shall stay outside the polling place within a radius of thirty meters near enough to be easily called by the board of election inspectors at any time, but never at the door, and in no case shall the said policeman or peace officer hold any conversation with any voter or disturb or prevent or in any manner obstruct the free access of the voters to the polling place. It shall likewise be unlawful for any barangay official to enter and stay inside any polling place except to vote or except when serving as a watcher or member of the board of election inspectors, in which case, he shall leave the polling place immediately after voting.

Sec. 193. Order of voting. - The voters shall vote in the order of their entrance into the polling place. The voters shall have the right to freely enter the polling place as soon as they arrive unless there are voters waiting inside, in which case they shall fall in line in the order of their arrival and shall not crowd around the table of the board of election

inspectors. The voters after having cast their votes shall immediately depart.

Sec. 194. Manner of obtaining ballots. - The voter shall approach the chairman and shall give his name and address together with other data concerning his person. In case any member of the board of election inspectors doubts the identity of the voter, the board of election inspectors shall check his voter's identification card or, if he does not have any, the board of election inspectors shall refer to his photograph and signature in the voter's application for registration. If the board of election inspectors is satisfied with his identity, the chairman shall distinctly announce the voter's name in a tone loud enough to be plainly heard throughout the polling place. If such voter has not been challenged, or if having been challenged, the question has been decided in his favor, the voter shall forthwith affix his signature in the proper space in the voting record, and the chairman shall, after first entering the number of the ballot in the corresponding space of the voting record, deliver to the voter one ballot correctly folded. No person other than the chairman shall deliver official ballots nor shall more than one ballot be delivered at one time.

Sec. 195. Manner of preparing the ballot. - The voter, upon receiving his folded ballot, shall forthwith proceed to one of the empty voting booths and shall there fill his ballot by writing in the proper space for each office the name of the individual candidate for whom he desires to vote.

No voter shall be allowed to enter a booth occupied by another, nor enter the same accompanied by somebody, except as provided for in the succeeding section hereof, nor stay therein for a longer time than necessary, nor speak with anyone other than as herein provided while inside the polling place. It shall be unlawful to prepare the ballot outside the voting booth, or to exhibit its contents to any person, or to erase any printing from the ballot, or to intentionally tear or deface the same or put thereon any distinguishing mark. It shall likewise be unlawful to use carbon paper, paraffin paper, or other means for making a copy of the contents of the ballot or make use of any other means to identify the vote of the voter.

Sec. 196. Preparation of ballots for illiterate and disabled persons. - A voter who is illiterate or physically unable to prepare the ballot by himself may be assisted in the preparation of his ballot by a relative, by affinity or consanguinity within the fourth civil degree or if he has none, by any person of his confidence who belong to the same household or any member of the board of election inspectors, except the two party members: Provided, That no voter shall be allowed to vote as illiterate or physically disabled unless it is so indicated in his registration record: Provided, further, That in no case shall an assistor assist more than three times except the non-party members of the board of election inspectors. The person thus chosen shall prepare the ballot for the illiterate or disabled voter inside the voting booth. The person assisting shall bind himself in a formal document under oath to fill out the ballot strictly in accordance with the instructions of the voter and not to reveal the contents of the ballot prepared by him. Violation of this provision shall constitute an election offense.

Sec. 197. Spoiled ballots. - If a voter should accidentally spoil or deface a ballot in such a way that it cannot lawfully be used, he shall surrender if folded to the chairman who shall note in the corresponding space in the voting record that said ballot is spoiled. The voter

shall then be entitled to another ballot which the chairman shall give him after announcing the serial number of the second ballot and recording said serial number in the corresponding spaces in the voting record. If the second ballot is again spoiled or defaced in such a way that it cannot lawfully be used, the same shall be surrendered to the chairman and recorded in the same manner as the first spoiled or defaced ballot. However, no voter shall change his ballot more than twice.

The spoiled ballot shall, without being unfolded and without removing the detachable coupon, be distinctly marked with the word "spoiled" and signed by the board of election inspectors on the endorsement fold thereof and immediately placed in the compartment for spoiled ballots.

Sec. 198. Voting. - (a) After the voter has filled his ballot he shall fold it in the same manner as when he received it and return it to the chairman.

(b) In the presence of all the members of the board of election inspectors, he shall affix his thumbmark on the corresponding space in the coupon, and deliver the folded ballot to the chairman.

(c) The chairman, in the presence and view of the voter and all the members of the board of election inspectors, without unfolding the ballot or seeing its contents, shall verify its number from the voting record where it was previously entered.

(d) The voter shall forthwith affix his thumbmark by the side of his signature in the space intended for that purpose in the voting record and the chairman shall apply silver nitrate and commassie blue on the right forefinger nail or on any other available finger nail, if there be no forefinger nail.

(e) The chairman shall sign in the proper space beside the thumbmark of the voter.

(f) The chairman, after finding everything to be in order, shall then detach the coupon in the presence of the board of election inspectors and of the voter and shall deposit the folded ballot in the compartment for valid ballots, and the detached coupon in the compartment for spoiled ballots.

(g) The voter shall then depart.

Any ballot returned to the chairman whose detachable coupon has been removed not in the presence of the board of election inspectors and of the voter, or any ballot whose number does not coincide with the number of the ballot delivered to the voter, as entered in the voting record, shall be considered as spoiled and shall be so marked and signed by the members of the board of election inspectors.

Sec. 199. Challenge of illegal voters. - (a) Any voter, or watcher may challenge any person offering to vote for not being registered, for using the name of another or suffering from existing disqualification. In such case, the board of election inspectors shall satisfy itself as to whether or not the ground for the challenge is true by requiring proof of registration or the identity of the voter; and

(b) No voter shall be required to present his voter's affidavit on election day unless his identity is challenged. His failure or inability to produce his voter's affidavit upon being

challenged, shall not preclude him from voting if his identity be shown from the photograph, fingerprints, or specimen signatures in his approved application in the book of voters or if he is identified under oath by a member of the board of election inspectors and such identification shall be reflected in the minutes of the board.

Sec. 200. Challenge based on certain illegal acts. - Any voter or watcher may challenge any voter offering to vote on the ground that the challenged person has received or expects to receive, has paid, offered or promised to pay, has contributed, offered or promised to contribute money or anything of value as consideration for his vote or for the vote of another; that he has made or received a promise to influence the giving or withholding of any such vote or that he has made a bet or is interested directly or indirectly in a bet which depends upon the result of the election. The challenged person shall take a prescribed oath before the board of election inspectors that he has not committed any of the acts alleged in the challenge. Upon the taking of such oath, the challenge shall be dismissed and the challenged voter shall be allowed to vote, but in case of his refusal to take such oath, the challenge shall be sustained and he shall not be allowed to vote.

Sec. 201. Admission of challenged vote immaterial in criminal proceedings. - The admission of the challenged vote under the two preceding sections shall not be conclusive upon any court as to the legality of the registration of the voter challenged or his vote in a criminal action against such person for illegal registration or voting.

Sec. 202. Record of challenges and oaths. - The poll clerk shall keep a prescribed record of challenges and oaths taken in connection therewith and the resolution of the board of election inspectors in each case and, upon the termination of the voting, shall certify that it contains all the challenges made. The original of this record shall be attached to the original copy of the minutes of the voting as provided in the succeeding section.

Sec. 203. Minutes of voting and counting of votes. - The board of election inspectors shall prepare and sign a statement in four copies setting forth the following:

- 1. The time the voting commenced and ended;**
- 2. The serial numbers of the official ballots and election returns, special envelopes and seals received;**
- 3. The number of official ballots used and the number left unused;**
- 4. The number of voters who cast their votes;**
- 5. The number of voters challenged during the voting;**
- 6. The names of the watchers present;**
- 7. The time the counting of votes commenced and ended;**
- 8. The number of official ballots found inside the compartment for valid ballots;**
- 9. The number of valid ballots, if any, retrieved from the compartment for spoiled ballots;**
- 10. The number of ballots, if any, found folded together;**

11. The number of spoiled ballots withdrawn from the compartment for valid ballots;
12. The number of excess ballots;
13. The number of marked ballots;
14. The number of ballots read and counted;
15. The time the election returns were signed and sealed in their respective special envelopes;
16. The number and nature of protests made by watchers; and
17. Such other matters that the Commission may require.

Copies of this statement after being duly accomplished shall be sealed in separate envelopes and shall be distributed as follows: (a) the original to the city or municipal election registrar; (b) the second copy to be deposited inside the compartment for valid ballots of the ballot box; and (c) the third and fourth copies to the representatives of the accredited political parties.

Sec. 204. Disposition of unused ballots at the close of the voting hours. - The chairman of the board of election inspectors shall prepare a list showing the number of unused ballots together with the serial numbers. This list shall be signed by all the members of the board of election inspectors, after which all the unused ballots shall be torn halfway in the presence of the members of the board of election inspectors.

Sec. 205. Prohibition of premature announcement of voting. - No member of the board of election inspectors shall, before the termination of the voting, make any announcement as to whether a certain registered voter has already voted or not, as to how many have already voted or how many so far have failed to vote, or any other fact tending to show or showing the state of the polls, nor shall he make any statement at any time, except as witness before a court, as to how any person voted.

ARTICLE XVIII. COUNTING OF VOTES

Sec. 206. Counting to be public and without interruption. - As soon as the voting is finished, the board of election inspectors shall publicly count in the polling place the votes cast and ascertain the results. The board of election inspectors shall not adjourn or postpone or delay the count until it has been fully completed, unless otherwise ordered by the Commission.

The Commission, in the interest of free, orderly, and honest elections, may order the board of election inspectors to count the votes and to accomplish the election returns and other forms prescribed under this Code in any other place within a public building in the same municipality or city: Provided, That the said public building shall not be located within the perimeter of or inside a military or police camp or reservation nor inside a prison compound.

Sec. 207. Excess ballots. - Before proceeding to count the votes the board of election inspectors shall count the ballots in the compartment for valid ballots without unfolding them or exposing their contents, except so far as to ascertain that each ballot is single, and compare the number of ballots in the box with the number of voters who have voted. If there are excess ballots, they shall be returned in the box and thoroughly mixed therein, and the poll clerk, without seeing the ballots and with his back to the box, shall publicly draw out as many ballots as may be equal to the excess and without unfolding them, place them in an envelope which shall be marked "excess ballots" and which shall be sealed and signed by the members of the board of election inspectors. The envelope shall be placed in the compartment for valid ballots, but its contents shall not be read in the counting of votes. If in the course of the examination ballots are found folded together before they were deposited in the box, they shall be placed in the envelope for excess ballots. In case ballots with their detachable coupons be found in the box, such coupons shall be removed and deposited in the compartment for spoiled ballots, and the ballots shall be included in the file of valid ballots. If ballots with the words "spoiled" be found in the box, such ballots shall likewise be placed in the compartment for spoiled ballots.

Sec. 208. Marked ballots. - The board of election inspectors shall then unfold the ballots and determine whether there are any marked ballots, and, if any be found, they shall be placed in an envelope labelled "marked ballots" which shall be sealed and signed by the members of the board of election inspectors and placed in the compartment for valid ballots and shall not be counted. A majority vote of the board of election inspectors shall be sufficient to determine whether any ballot is marked or not. Non-official ballots which the board of election inspectors may find, except those which have been used as emergency ballots, shall be considered as marked ballots.

Sec. 209. Compartment for spoiled ballots. - The ballots deposited in the compartment for spoiled ballots shall be presumed to be spoiled ballots, whether or not they contain such notation; but if the board of election inspectors should find that during the voting any valid ballot was erroneously deposited in this compartment, or if any ballot separated as excess or marked had been erroneously deposited therein, the board of election inspectors shall open said compartment after the voting and before the counting of votes for the sole purpose of drawing out the ballots erroneously deposited therein. It shall then prepare and sign a statement of such fact and lock the box with its three keys immediately thereafter. The valid ballots so withdrawn shall be mixed with the other valid ballots, and the excess or marked ballots shall be placed in their proper envelopes which shall for such purposes be opened and again labelled, sealed, signed and kept as hereinafter provided.

Sec. 210. Manner of counting votes. - The counting of votes shall be made in the following manner: the board of election inspectors shall unfold the ballots and form separate piles of one hundred ballots each, which shall be held together with rubber bands, with cardboard of the size of the ballots to serve as folders. The chairman of the board of election inspectors shall take the ballots of the first pile one by one and read the names of candidates voted for and the offices for which they were voted in the order in which they appear thereon, assuming such a position as to enable all of the watchers to read such names. The chairman shall sign and affix his right hand thumbmark at the back of the ballot immediately after it is counted. The poll clerk, and the third member, respectively,

shall record on the election returns and the tally board or sheet each vote as the names voted for each office are read.

Each vote shall be recorded by a vertical line, except every fifth vote which shall be recorded by a diagonal line crossing the previous four vertical lines. One party member shall see to it that the chairman reads the vote as written on the ballot, and the other shall check the recording of the votes on the tally board or sheet and the election returns seeing to it that the same are correctly accomplished. After finishing the first pile of ballots, the board of election inspectors shall determine the total number of votes recorded for each candidate, the sum being noted on the tally board or sheet and on the election returns. In case of discrepancy such recount as may be necessary shall be made. The ballots shall then be grouped together again as before the reading. Thereafter, the same procedure shall be followed with the second pile of ballots and so on successively. After all the ballots have been read, the board of election inspectors shall sum up the totals recorded for each candidate, and the aggregate sum shall be recorded both on the tally board or sheet and on the election returns. It shall then place the counted ballots in an envelope provided for the purpose, which shall be closed signed and deposited in the compartment for valid ballots. The tally board or sheet as accomplished and certified by the board of election inspectors shall not be changed or destroyed but shall be kept in the compartment for valid ballots.

Sec. 211. Rules for the appreciation of ballots. - In the reading and appreciation of ballots, every ballot shall be presumed to be valid unless there is clear and good reason to justify its rejection. The board of election inspectors shall observe the following rules, bearing in mind that the object of the election is to obtain the expression of the voter's will:

1. Where only the first name of a candidate or only his surname is written, the vote for such candidate is valid, if there is no other candidate with the same first name or surname for the same office.
2. Where only the first name of a candidate is written on the ballot, which when read, has a sound similar to the surname of another candidate, the vote shall be counted in favor of the candidate with such surname. If there are two or more candidates with the same full name, first name or surname and one of them is the incumbent, and on the ballot is written only such full name, first name or surname, the vote shall be counted in favor of the incumbent.
3. In case the candidate is a woman who uses her maiden or married surname or both and there is another candidate with the same surname, a ballot bearing only such surname shall be counted in favor of the candidate who is an incumbent.
4. When two or more words are written on the same line on the ballot, all of which are the surnames of two or more candidates, the same shall not be counted for any of them, unless one is a surname of an incumbent who has served for at least one year in which case it shall be counted in favor of the latter.

When two or more words are written on different lines on the ballot all of which are the surnames of two or more candidates bearing the same surname for an office for which the law authorizes the election of more than one and there are the same

number of such surnames written as there are candidates with that surname, the vote shall be counted in favor of all the candidates bearing the surname.

5. When on the ballot is written a single word which is the first name of a candidate and which is at the same time the surname of his opponent, the vote shall be counted in favor of the latter.

6. When two words are written on the ballot, one of which is the first name of the candidate and the other is the surname of his opponent, the vote shall not be counted for either.

7. A name or surname incorrectly written which, when read, has a sound similar to the name or surname of a candidate when correctly written shall be counted in his favor;

8. When a name of a candidate appears in a space of the ballot for an office for which he is a candidate and in another space for which he is not a candidate, it shall be counted in his favor for the office for which he is a candidate and the vote for the office for which he is not a candidate shall be considered as stray, except when it is used as a means to identify the voter, in which case, the whole ballot shall be void.

If the word or words written on the appropriate blank on the ballot is the identical name or surname or full name, as the case may be, of two or more candidates for the same office none of whom is an incumbent, the vote shall be counted in favor of that candidate to whose ticket belong all the other candidates voted for in the same ballot for the same constituency.

9. When in a space in the ballot there appears a name of a candidate that is erased and another clearly written, the vote is valid for the latter.

10. The erroneous initial of the first name which accompanies the correct surname of a candidate, the erroneous initial of the surname accompanying the correct first name of a candidate, or the erroneous middle initial of the candidate shall not annul the vote in favor of the latter.

11. The fact that there exists another person who is not a candidate with the first name or surname of a candidate shall not prevent the adjudication of the vote of the latter.

12. Ballots which contain prefixes such as "Sr.", "Mr.", "Datu", "Don", "Ginoo", "Hon.", "Gob." or suffixes like "Hijo", "Jr.", "Segundo", are valid.

13. The use of the nicknames and appellations of affection and friendship, if accompanied by the first name or surname of the candidate, does not annul such vote, except when they were used as a means to identify the voter, in which case the whole ballot is invalid: Provided, That if the nickname used is unaccompanied by the name or surname of a candidate and it is the one by which he is generally or popularly known in the locality, the name shall be counted in favor of said candidate, if there is no other candidate for the same office with the same nickname.

14. Any vote containing initials only or which is illegible or which does not sufficiently identify the candidate for whom it is intended shall be considered as a stray vote but shall not invalidate the whole ballot.

15. If on the ballot is correctly written the first name of a candidate but with a different surname, or the surname of the candidate is correctly written but with different first name, the vote shall not be counted in favor of any candidate having such first name and/or surname but the ballot shall be considered valid for other candidates.

16. Any ballot written with crayon, lead pencil, or in ink, wholly or in part, shall be valid.

17. Where there are two or more candidates voted for in an office for which the law authorizes the election of only one, the vote shall not be counted in favor of any of them, but this shall not affect the validity of the other votes therein.

18. If the candidates voted for exceed the number of those to be elected, the ballot is valid, but the votes shall be counted only in favor of the candidates whose names were firstly written by the voter within the spaces provided for said office in the ballot until the authorized number is covered.

19. Any vote in favor of a person who has not filed a certificate of candidacy or in favor of a candidate for an office for which he did not present himself shall be considered as a stray vote but it shall not invalidate the whole ballot.

20. Ballots containing the name of a candidate printed and pasted on a blank space of the ballot or affixed thereto through any mechanical process are totally null and void.

21. Circles, crosses or lines put on the spaces on which the voter has not voted shall be considered as signs to indicate his desistance from voting and shall not invalidate the ballot.

22. Unless it should clearly appear that they have been deliberately put by the voter to serve as identification marks, commas, dots, lines, or hyphens between the first name and surname of a candidate, or in other parts of the ballot, traces of the letter "T", "J", and other similar ones, the first letters or syllables of names which the voter does not continue, the use of two or more kinds of writing and unintentional or accidental flourishes, strokes, or strains, shall not invalidate the ballot.

23. Any ballot which clearly appears to have been filled by two distinct persons before it was deposited in the ballot box during the voting is totally null and void.

24. Any vote cast in favor of a candidate who has been disqualified by final judgment shall be considered as stray and shall not be counted but it shall not invalidate the ballot.

25. Ballots wholly written in Arabic in localities where it is of general use are valid. To read them, the board of election inspectors may employ an interpreter who shall take an oath that he shall read the votes correctly.

26. The accidental tearing or perforation of a ballot does not annul it.

27. Failure to remove the detachable coupon from a ballot does not annul such ballot.

28. A vote for the President shall also be a vote for the Vice-President running under the same ticket of a political party, unless the voter votes for a Vice-President who does not belong to such party.

Sec. 212. Election returns. - The board of election inspectors shall prepare the election returns simultaneously with the counting of the votes in the polling place as prescribed in Section 210 hereof. The return shall be prepared in sextuplicate. The recording of votes shall be made as prescribed in said section. The entry of votes in words and figures for each candidate shall be closed with the signature and the clear imprint of the thumbmark of the right hand of all the members, likewise to be affixed in full view of the public, immediately after the last vote recorded or immediately after the name of the candidate who did not receive any vote.

The returns shall also show the date of the election, the polling place, the barangay and the city of municipality in which it was held, the total number of ballots found in the compartment for valid ballots, the total number of valid ballots withdrawn from the compartment for spoiled ballots because they were erroneously placed therein, the total number of excess ballots, the total number of marked or void ballots, and the total number of votes obtained by each candidate, writing out the said number in words and figures and, at the end thereof, the board of election inspectors shall certify that the contents are correct. The returns shall be accomplished in a single sheet of paper, but if this is not possible, additional sheets may be used which shall be prepared in the same manner as the first sheet and likewise certified by the board of election inspectors.

The Commission shall take steps so that the entries on the first copy of the election returns are clearly reproduced on the second, third, fourth, fifth, and sixth copies thereof, and for this purpose the Commission shall use a special kind of paper.

Immediately upon the accomplishment of the election returns, each copy thereof shall be sealed in the presence of the watchers and the public, and placed in the proper envelope, which shall likewise be sealed and distributed as herein provided.

Any election return with a separately printed serial number or which bears a different serial number from that assigned to the particular polling place concerned shall not be canvassed. This is to be determined by the board of canvassers prior to its canvassing on the basis of the certification of the provincial, city or municipal treasurer as to the serial number of the election return assigned to the said voting precinct, unless the Commission shall order in writing for its canvassing, stating the reason for the variance in serial numbers.

If the signatures and/or thumbmarks of the members of the board of election inspectors or some of them as required in this provision are missing in the election returns, the board of canvassers may summon the members of the board of election inspectors concerned to complete the returns.

Sec. 213. Proclamation of the result of the election in the polling place. - Upon the completion of the election returns, the chairman of the board of election inspectors shall orally and publicly announce the total number of votes received in the election in the polling place by each and every one of the candidates, stating their corresponding office.

One copy shall be deposited in the compartment of the ballot box for valid ballots, and in the case of municipalities two copies including the original copy shall be handed to the municipal election registrar who shall immediately deliver the original copy to the provincial election supervisor and forward the other copy to the Commission, and one copy each to the authorized representatives of the accredited political parties. In the case of the cities, the city registrar shall retain the original copy for submission to the provincial election supervisor, and forward the other copy to the Commission.

(2) In the election for Members of the Batasang Pambansa: the original of the election returns shall be delivered to the election registrar of the city or municipality for transmittal to the chairman of the provincial board of canvassers, and direct to the chairman of the city or district board of canvassers in the urbanized cities and the districts of Metropolitan Manila, as the case may be, for use in the canvass. The second copy shall likewise be delivered to the election registrar for transmittal to the Commission. The third copy shall be deposited in the compartment for valid ballots. The fourth copy shall be delivered to the election registrar who shall use said copy in the tabulation of the advance results of the election in the city or municipality. The fifth and sixth copies shall each respectively be delivered to the members representing political parties represented in the board of election inspectors.

The second copy shall be delivered to the election registrar of the city or municipality for transmittal to the provincial board of canvassers as a body for its use in the provincial canvass. The third copy shall likewise be delivered to the election registrar for transmittal to the Commission. The fourth copy shall be deposited in the compartment for valid ballots. The fifth and sixth copies shall each respectively be delivered to the members representing the political parties represented in the board of election inspectors.

Board of election inspectors to issue a certificate of the number of votes polled by the candidates for an office to the watchers. - After the announcement of the results of the election and before leaving the polling place, it shall be the duty of the board of election inspectors to issue a certificate of the number of the votes received by a candidate upon request of the watchers. All the members of the board of election inspectors shall sign the certificate.

Sec. 216. Alterations and corrections in the election returns. - Any correction or alteration

made in the election, returns by the board of election inspectors before the announcement of the results of the election in the polling place shall be duly initialed by all the members thereof.

After the announcement of the results of the election in the polling place has been made, the board of election inspectors shall not make any alteration or amendment in any of the copies of the election returns, unless so ordered by the Commission upon petition of the members of the board of election inspectors within five days from the date of the election or twenty-four hours from the time a copy of the election returns concerned is opened by the board of canvassers, whichever is earlier. The petition shall be accompanied by proof of service upon all candidates affected. If the petition is by all members of the board of election inspectors and the results of the election would not be affected by said correction and none of the candidates affected objects thereto, the Commission, upon being satisfied of the veracity of the petition and of the error alleged therein, shall order the board of election inspectors to make the proper correction on the election returns.

However, if a candidate affected by said petition objects thereto, whether the petition is filed by all or only a majority of the members of the board of election inspectors and the results of the election would be affected by the correction sought to be made, the Commission shall proceed summarily to hear the petition. If it finds the petition meritorious and there are no evidence or signs indicating that the identity and integrity of the ballot box have been violated, the Commission shall order the opening of the ballot box. After satisfying itself that the integrity of the ballots therein has also been duly preserved, the Commission shall order the recounting of the votes of the candidates affected and the proper corrections made on the election returns, unless the correction sought is such that it can be made without need of opening the ballot box.

Sec. 217. Delivery of the ballot boxes, keys and election supplies and documents. - Upon the termination of the counting of votes, the board of election inspectors shall place in the compartment for valid ballots, the envelopes for used ballots hereinbefore referred to, the unused ballots, the tally board or sheet, a copy of the election returns, and the minutes of its proceedings, and then shall lock the ballot box with three padlocks and such safety devices as the Commission may prescribe. Immediately after the box is locked, the three keys of the padlocks shall be placed in three separate envelopes and shall be sealed and signed by all the members of the board of election inspectors. The authorized representatives of the Commission shall forthwith take delivery of said envelopes, signing a receipt therefor, and deliver without delay one envelope to the provincial treasurer, another to the provincial fiscal and the other to the provincial election supervisor.

The ballot box, all supplies of the board of election inspectors and all pertinent papers and documents shall immediately be delivered by the board of election inspectors and the watchers to the city or municipal treasurer who shall keep his office open all night on the day of election if necessary for this purpose, and shall provide the necessary facilities for said delivery at the expense of the city or municipality. The book of voters shall be returned to the election registrar who shall keep it under his custody. The treasurer and the election registrar, as the case may be, shall on the day after the election require the members of the board of election inspectors who failed to send the objects referred to

herein to deliver the same to him immediately and acknowledge receipt thereof in detail.

Sec. 218. Preservation of the voting record. - The voting record of each polling place shall be delivered to the election registrar who shall have custody of the same, keeping them in a safe place, until such time that the Commission shall give instructions on their disposition.

Sec. 219. Preservation of the ballot boxes, their keys and disposition of their contents. - (a) The provincial election supervisor, the provincial treasurer and the provincial fiscal shall keep the envelope containing the keys in their possession intact during the period of three months following the election. Upon the lapse of this period, unless the Commission has ordered otherwise, the provincial election supervisor and the provincial fiscal shall deliver to the provincial treasurer the envelope containing the keys under their custody.

(b) The city and municipal treasurer shall keep the ballot boxes under their responsibility for three months and stored unopened in a secure place, unless the Commission orders otherwise whenever said ballot boxes are needed in any political exercise which might be called within the said period, provided these are not involved in any election contest or official investigation, or the Commission or other competent authority shall demand them sooner or shall order their preservation for a longer time in connection with any pending contest or investigation. However, upon showing by any candidate that the boxes will be in danger of being violated if kept in the possession of such officials, the Commission may order them kept by any other official whom it may designate. Upon the lapse of said time and if there should be no order to the contrary, the Commission may authorize the city and municipal treasurer in the presence of its representative to open the boxes and burn their contents, except the copy of the minutes of the voting and the election returns deposited therein which they shall take and keep.

(c) In case of calamity or fortuitous event such as fire, flood, storm, or other similar calamities which may actually cause damage to the ballot boxes and/or their contents, the Commission may authorize the opening of said ballot boxes to salvage the ballots and other contents by placing them in other ballot boxes, taking such other precautionary measures as may be necessary to preserve such documents.

Sec. 220. Documents and articles omitted or erroneously placed inside the ballot box. - If after the delivery of the keys of the ballot box to the proper authorities, the board of election inspectors shall discover that some documents or articles required to be placed in the ballot box were not placed therein, the board of election inspectors, instead of opening the ballot box in order to place therein said documents or articles, shall deliver the same to the Commission or its duly authorized representatives. In no instance shall the ballot box be reopened to place therein or take out therefrom any document or article except to retrieve copies of the election returns which will be needed in any canvass and in such excepted instances, the members of the board of election inspectors and watchers of the candidates shall be notified of the time and place of the opening of said ballot box: Provided, however, That if there are other copies of the election returns outside of the ballot box which can be used in canvass, such copies of the election returns shall be used in said canvass and the opening of the ballot box to retrieve copies of the election returns placed therein shall then be dispensed with.

Sec. 237. When integrity of ballots is violated. - If upon the opening of the ballot box as ordered by the Commission under Sections 234, 235 and 236, hereof, it should appear that there are evidence or signs of replacement, tampering or violation of the integrity of the ballots, the Commission shall not recount the ballots but shall forthwith seal the ballot box and order its safekeeping.
